Mr. Bishop:

RE: BOOKS BY IAN FLEMING, AUTHOR  
OF THE JAMES BOND SERIES

By informal memoranda dated May 3 and 6, 1968, I furnished you lists of the names appearing in 17 of the 18 books by Ian Fleming. My informal memorandum of May 6 noted that the 18th book, "More Gilt-Edged Bonds," was being obtained by the New York Office and that a list of the names appearing in that book would be prepared as soon as possible.

Fleming's book entitled "Gilt-Edged Bonds" has been received from the New York Office today. A quick perusal of this book reflects that it is a trilogy consisting of three books by Fleming ("Casino Royale," "From Russia, with Love," and "Doctor No") which we have previously reviewed. Furthermore, the dust jacket of "Gilt-Edged Bonds" indicates that "More Gilt-Edged Bonds" is another trilogy which consists of three other Fleming books ("Live and Let Die," "Moonraker" and "Diamonds Are Forever") which we have previously reviewed.

Ian Fleming is, of course, dead. British author Kingsley Amis, writing under the pen name of Robert Markham, has just completed a new James Bond book entitled "Colonel Sun."
